Dear Parent/Carer

At Maltby Manor Academy, we believe that strong relationships between our academies, families and communities are essential in ensuring that every child feels a sense of belonging, is supported to thrive and has the opportunity to achieve their very best.

As part of our ongoing commitment to strengthening these partnerships, we would like to invite you to share your views through our Parent and Carer Survey.

Your feedback is incredibly important to us. We want to understand what we are doing well, where we can improve and how we can continue to work together to provide the best possible experience and opportunities for your child.

To support us with this, we are working with Edurio, an independent survey platform, to gather feedback from parents and carers across our academies. To complete the survey, please click here: https://edurio.com/s/open/survey/ClqNramF6oh4ctJlhJafjvnzyDG

The survey is completely anonymous and confidential, with responses brought together to help us identify strengths and areas for further development. The survey should take no more than 15 minutes to complete and will remain open until {insert close date}. Please note that it must be completed in one sitting.

Our vision, People belong, place matters, purpose lasts, reflects our belief that every member of our school community has an important part to play. By listening to your views and acting on your feedback, we can continue to strengthen our academies and ensure that the decisions we make have a lasting, positive impact on our children and young people.

Thank you for taking the time to share your views and for your continued support. We really do value your contribution to our academy community.

Yours Faithfully

K. Atkin
