Maltby Manor Academy

Enrichment Clubs

2026-2027

Place Partnership

A MULTI-ACADEMY TRUST

Enrichment Clubs

We are delighted to launch our **Enrichment Program** – an exciting extension to the learning opportunities at Maltby Manor Academy. While our school day is already filled with valuable lessons, we believe that experiences beyond the classroom play a vital role in inspiring curiosity, building confidence, and developing well-rounded individuals.

Throughout the year, pupils can choose from a **wide variety of clubs and activities** designed to spark new interests, nurture talents, and encourage personal growth. From creative arts to sports, STEM to performing arts, our program offers something for everyone. Each club is led by our dedicated teaching staff, ensuring high-quality guidance and a safe, supportive environment.

We can't wait to see our pupils exploring new passions, developing skills, and creating lasting memories through these enrichment opportunities. Together, we're helping every child at Maltby Manor Academy **grow, shine, and thrive** – both inside and outside the classroom.

Club Times

Our enrichment clubs will run **each half term**, taking place on selected days from **3:15pm until 4:00pm**. Sessions begin promptly after the end of the school day, and we ask that all children are collected **on time** at 4:00pm to ensure smooth transitions and to maintain the safety and wellbeing of all pupils.
