Dear Parent/Carer

Moorland Discovery Centre

On Tuesday 21 March, students in Year Six will be visiting the Moorland Discovery Centre at Longshaw Estate in the Peak District. This experience will take place during the school day.

The children will be taking part in geographical fieldwork and activities which require them to take measurements in and around water sites. These will be in a small stream which has very shallow water and will be fully risk assessed by the providers prior to the activities taking place. The children will need wellington boots or other waterproof boots for treading in the water and will also need appropriate outdoor clothing as the weather is likely to be cold in March and the children will be outdoors for most of the day. They will also need a waterproof coat in case of wet weather.

The total cost for this visit is £18.00 per child. If your child would like to take part in the visit, please give consent and payment via ParentPay. For us to secure the event, it is important that we receive payment by 7 March 2024.

While we fully appreciate that all contributions are voluntary, we are only able to offer experiences such as this if we receive sufficient support. If you are struggling to pay for the event, please come in and discuss this with us.

All children will require a packed lunch for this day. If your child is entitled to free school meals and would like school to provide your child with a packed lunch, please use the following link to choose your child's sandwich preference <https://forms.office.com/e/Axibdiqj3x>.

We are really looking forward to this experience!

Thank you for your continued support.

Yours faithfully

K Moody and A Johnson
Year 6 class teachers
