# HOMEWORK MENU

*This half term we would like you to complete the following learning projects at home:*

Can you make a model of the Great Fire of London? Be creative – you could use cardboard, air-drying clay...

Design and build a model of a fire engine. Consider the equipment a firefighter would use today.

Make a model of a famous monument in London such as Big Ben, The London Eye or The Houses of Parliament...

The choice of task is yours, choose wisely and we look forward to seeing your projects. Fantastic home-learning will be displayed in our homework gallery! If you need any help or advice on your project just ask. It might be a good idea to ask your grown up to help you as well.
