Dear Parents/Carers

During the week commencing Monday 3 March 2025, children in Nursery will be welcoming some exciting visitors as part of our learning journey about 'Animals and their Habitats'. We have arranged for a chick hatching set to be delivered to school. The children will see the change from egg to chick and will then work together to care for our new chicks.

The total cost for this exceptional experience is £4.50 per child, which is payable by ParentPay only, either online through the ParentPay website or at your local PayPoint. For us to secure this event, it is important that we receive payment by 31 January 2025.

While we fully appreciate that all contributions are voluntary, we are only able to offer experiences such as this if we receive sufficient support. If you are struggling to pay for the event, please come in and discuss this with us.

We are really looking forward to this experience!

Thank you for your continued support.

Yours faithfully

Mrs Williams
EYFS Lead
