1. AIMS

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all students
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every student has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure students have the support in place to attend school

We will also promote and support punctuality in attending lessons.

2. LEGISLATION AND GUIDANCE

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Student Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)
- It also refers to:
 - [School census guidance](#)
 - [Keeping Children Safe in Education](#)
 - [Mental health issues affecting a Student's attendance: guidance for schools](#)

3. ROLES AND RESPONSIBILITIES

THE LOCAL GOVERNANCE COMMITTEE

The Local Governance Committee is responsible for:

- Setting high expectations of all school leaders, staff, students and parents/carers
- Making sure school leaders fulfil expectations and statutory duties, including:
 - Making sure the school records attendance accurately in the register, and shares the required information with the DfE and Local Authority
 - Making sure the school works effectively with local partners to help remove barriers to attendance, and keeps them informed regarding specific students, where appropriate

- Recognising and promoting the importance of school attendance across the school's policies and ethos
- Making sure the school's attendance management processes are delivered effectively, and that consistent support is provided for students who need it most by prioritising staff and resources
- Making sure the school has high aspirations for all students, but adapts processes and support to students' individual needs
- Regularly reviewing and challenging attendance data and helping school leaders focus improvement efforts on individual students or cohorts who need it most
- Working with school leaders to set goals or areas of focus for attendance and providing support and challenge
- Monitoring attendance figures for the whole school and repeatedly evaluating the effectiveness of the school's processes and improvement efforts to make sure they are meeting students' needs
- Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance
- Making sure all staff receive adequate training on attendance as part of the regular continued professional development offer so that staff understand:
 - The importance of good attendance
 - That absence is almost always a symptom of wider issues
 - The school's legal requirements for keeping registers
 - The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific students, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including interpreting and analysing attendance data
- Sharing effective practice on attendance management and improvement across schools
- Holding the headteacher to account for the implementation of this policy

The Link Governor for attendance can be found in **Appendix 1**.

THE PRINCIPAL

The Principal is responsible for:

- The implementation of this policy at the Academy
- Monitoring school-level absence data and reporting it to Governors
- Supporting staff with monitoring the attendance of individual students
- Monitoring the impact of any implemented attendance strategies
- Issuing fixed-penalty notices, where necessary, and/or authorising the DSLRA to be able to do so
- Working with the parents/carers of students with Special Educational Needs and/or Disabilities (SEND) to develop specific support approaches for attendance for students with SEND, including where school transport is regularly being missed, and where students with SEND face in-school barriers
- Communicating with the Local Authority when a student with an Education, Health and Care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the student's needs

- Communicating the school's high expectations for attendance and punctuality regularly to Students and parents through all available channels

THE DESIGNATED SENIOR LEADER RESPONSIBLE FOR ATTENDANCE (DSLRA)

The designated senior leader is responsible for:

The designated senior leader (also known as the 'senior attendance champion') is responsible for:

- Leading, championing and improving attendance across the Academy
- Setting a clear vision for improving and maintaining good attendance
- Evaluating and monitoring expectations and processes
- Having a strong grasp of absence data and oversight of absence data analysis
- Regularly monitoring and evaluating progress in attendance
- Establishing and maintaining effective systems for tackling absence, and making sure they are followed by all staff
- Liaising with students, parents/carers and external agencies, where needed
- Building close and productive relationships with parents/carers to discuss and tackle attendance issues, including using 'attendance contracts'.
- Creating intervention or reintegration plans in partnership with students and their parents/carers
- Delivering targeted intervention and support to students and families
- Working with the Local Authority to pursue 'Education Supervision Orders' and 'Attendance Prosecution' where no significant improvement to attendance has been made, inline with the Rotherham and Doncaster attendance pathways (**see Appendix 1.1 and 1.2**).

The designated senior leader responsible for attendance can be found in **Appendix 1**.

THE ATTENDANCE TEAM

The school Attendance team is responsible for:

- Monitoring and analysing attendance data (see section 7)
- Benchmarking attendance data to identify areas of focus for improvement
- Providing regular attendance reports to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance, and the Principal
- Working with Education Welfare Officers to tackle persistent absence
- Advising the Principal/DSLRA (authorised by the Principal) when to issue fixed-penalty notices.

The Senior Attendance Officer can be found in **Appendix 1**.

TEACHING STAFF

Teaching staff are responsible for:

- Monitoring the class attendance and report any cause for concern to the Attendance Officer, SLT staff member or the Principal
- Have frequent discussion with students about the importance of regular attendance and punctuality

- Support students who have been absent in making up missed work.

NB. Subject teachers in Secondary Academies will follow up suspicious absences by informing the Tutor and Pastoral teams of any discrepancies immediately. They query persistent or frequent absences with the Tutor to ensure that it is not 'selective truancy'.

SCHOOL ADMIN/OFFICE STAFF

School administration/office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the Head of Year/Pastoral lead in order to provide them with more detailed support on attendance.

PARENT/CARERS

Where this policy refers to a parent/carer, it refers to the adult the school and/or Local Authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents/carers are expected to:

- Make sure their child attends every on time
- Call the school to report their child's absence before 8:30am on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the Academy with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or Local Authority
- Seek support, where necessary, for maintaining good attendance, by contacting Mrs S Twiss, Attendance Officer, who can be contacted via 01709 813300 or attendance@maltbymanoracademy.com

Parent/Carers have a legal duty to send their children to school regularly and risk prosecution if they fail in this duty. Only the Academy, within the context of the law, can approve absence. Parents/Carers cannot approve absence.

STUDENTS

Students are expected to:

- Ensure that they arrive promptly, attend all morning and afternoon sessions and timetabled lessons punctually
- Sign out at Student Reception and obtain an 'Authorised Absence' slip, which gives proof of their authorisation to be off-site (secondary only).

- May not leave the Academy premises during lunchtime. Note extensive 'Active Lunchtime' provision and a number of healthy eating outlets are provided
- Discuss promptly with the Attendance team any problems that may affect their attendance
- Attend school appropriately prepared for the day
- Sign in and out of the premises via the central entry/exit system (Sixth Form only).

NB. Permission to leave the site will normally only be given for fixed term exclusion or authorised medical/dental appointments.

4. RECORDING ATTENDANCE

ATTENDANCE REGISTER

The Academy will keep an attendance register and place all students onto this register.

The attendance register will be taken at the start of the first session of each school day and once during the second session. It will mark whether every student is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances.

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment.

Registers are legal documents and must be taken clearly and accurately, using the correct symbols/codes. See **Appendix 3** for the DfE attendance codes.

We will also record:

- For students of compulsory school age, whether the absence is authorised or not
- The nature of the activity if a student is attending an approved educational activity
- The nature of circumstances where a student is unable to attend due to exceptional circumstances.

The Academy will keep every entry on the attendance register for 6 years after the date on which the entry was made.

- Reception – Year 6 students must arrive in school by 8.40 am on each school day.
- The school day starts at 8.45 am and ends at 3.15 pm.
- Nursery (Monday - Tuesday) students must arrive in school by 8.40 am and ends at 3.15 pm
- Nursery (Wednesday AM) students must arrive in school by 8.40 am and ends at 11.30 am
- Nursery (Wednesday PM) students must arrive in school by 12.30pm and ends at 3.15 pm

- Nursery (Thursday - Friday) students must arrive in school by 8.40am and ends at 3.15 pm
- The register for the first session will be taken at 8.45 am and will be kept open until 9.15 am. The register for the second session will be taken at 1.00 pm (Reception) and kept open until 1.30 pm, 1.00 pm (KS1) and kept open until 1.30 pm, 1.15 pm (KS2) and will be kept open until 1.45pm

UNPLANNED ABSENCE

The student's parent/carer must notify the Academy of the reason for the absence on the first day of an unplanned absence by 8.30 am, or as soon as practically possible, by calling the contacting Mrs S Twiss, Attendance Officer, who can be contacted via 01709 813300 or attendance@maltbymanoracademy.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the Academy will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the Academy is not satisfied with the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

If the absence involves physical injury, with implications upon the student's return to the Academy, a risk assessment will be carried out by the SENDCO for each specific case.

Illness during the school day:

- If a student becomes genuinely unwell during the day, they will be sent to reception by the class teacher (Primary Academies) or by their Teacher/Pastoral Manager (Secondary Academies). Students should not contact parents/carers directly
- Staff will then assess the illness and make decisions about whether parents/carers need to be informed and whether a student will be sent home, wait and/or return to class
- No student should leave the Academy premises for such arising medical reasons without staff permission (based on whether contact has been made with a parent/carer at home)
- In the event of a student being genuinely unwell and unable to continue with the Academy day, contact will be made with parent/carer. In the interest of safeguarding students' arrangements will be made for the student to be collected by a parent/carer or another nominated family member
- Appropriate First Aid will be administered where deemed necessary by a trained First Aider.

PLANNED ABSENCE

Attending a medical or dental appointment will be counted as authorised as long as the student's parent/carer notifies the school in advance of the appointment. The Academy may request evidence of the appointments.

See **Appendix 4** which details of how parents/carers should request a leave of absence.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the student should be out of school for the minimum amount of time necessary.

The student's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

LATENESS AND PUNCTUALITY

A student who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code.

Students arriving after registration time will receive a late mark (L) in the register. If a student is going to be late, parent/carers have a responsibility to inform the Academy of their child's lateness by telephone.

Registers close at 8.55 am:

- Secondary - Students arriving after this time must report to the Attendance office.
- Primary - Students arriving after this time must report to Reception and/or Student Reception to be marked present and order lunch.

A text message will be sent to parents/carers before 10.00 am indicating lateness or absence if no contact has been made by parents/carers to explain this.

Ultimately, the parent/carer of a child or young person who frequently arrives late at school can be prosecuted in the Magistrates Court under the Education Act 1996 for failing to ensure their child attends regularly.

FOLLOWING UP UNEXPLAINED ABSENCE

Where any student we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the student's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the Academy cannot reach any of the student's emergency contacts, the Academy will conduct a home visit
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an Education Welfare Officer
- Where relevant, report the unexplained absence to the student's Youth Offending Team Officer
- Where appropriate, offer support to the student and/or their parents/carers to improve attendance

- Identify whether the student needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with issue a notice to improve, penalty notice or other legal intervention (see section 5 – Legal Sanctions below), as appropriate.

REPORTING TO PARENTS/CARERS

The Academy will regularly inform parents/carers (see definition of 'parent', as used in this policy, in section 3 above) about their child's attendance and absence levels via termly reports and at parent's evenings.

5. AUTHORISED AND UNAUTHORISED ABSENCE

APPROVAL FOR TERM-TIME ABSENCE

The Principal will allow students to be absent from the Academy site for certain educational activities, or to attend other schools or settings.

The Principal will only grant a **leave of absence** to a student during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the Principal's discretion, including the length of time the student is authorised to be absent for.

We define 'exceptional circumstances' as events that are unexpected, unavoidable, and outside of your control.

Leave of absence will not be granted for a student to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 4 weeks before the absence, and in accordance with any leave of absence request form – **see Appendix 5**. The Principal may require evidence to support any request for leave of absence.

If a student is over compulsory school age (e.g. Sixth Form), leave can be requested or agreed by the student or a parent/carer they normally live with.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the student's parent/carer(s) belong(s). If necessary, the Academy will seek advice from the parent/carer religious body to confirm whether the day is set apart
- Parent/carer(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the student is attending educational provision
- If the student is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a student to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the Academy
- Attending another school at which the student is also registered (dual registration)
- Attending provision arranged by the Local Authority
- Attending work experience
- If there is any other unavoidable cause for the student not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

Unauthorised absences are those which Maltby Learning Trust does not consider reasonable and for which no "leave" has been given. This includes:

- Parents/carers keeping children off school unnecessarily
- Truancy during the school day
- Absences which have never been properly explained
- Students who arrive at school too late to get a mark on the register
- Shopping
- Looking after other children
- Birthdays
- Day trips and holidays in term time
- Excessive, prolonged or repeated patterns for absence due to illness without medical evidence/ confirmation from a GP or other healthcare professional
- Waiting for a delivery
- Taking or collecting a relative to/from the airport
- Sleeping in after a late night
- Parent/carer's illness.

Our Academy will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The Principal (or someone authorised by them), Local Authority or the police can fine parents/carers for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the Academy issues a penalty notice, it will check with the Local Authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the Academy will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that student
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

A penalty notice may also be issued where parents/carers allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents/carers that the student must not be present in a public place on that day).

Each parent/carer who is liable for the student's offence(s) can be issued with a penalty notice, but this will usually only be the parent/carers who allowed the absence.

The payment must be made directly to the Local Authority, regardless of who issues the notice. If the payment has not been made after 28 days, the Local Authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent/carer must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent/carer in respect of the same student, the parent/carer must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent/carer in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

Notices to improve

If the national threshold has been met and support is appropriate, but parents/carers do not engage with offers of support, the school may offer a notice to improve to give parents/carers a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the Local Authority area in which the student attends school.

They will include:

- o Details of the student's attendance record and of the offences
- o The benefits of regular attendance and the duty of parents/carers under [section 7 of the Education Act 1996](#)
- o Details of the support provided so far
- o Opportunities for further support, or to access previously provided support that was not engaged with
- o A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- o A clear timeframe of between 3 and 6 weeks for the improvement period
- o The grounds on which a penalty notice may be issued before the end of the improvement period

6. STRATEGIES FOR PROMOTING ATTENDANCE

See **Appendix 6** for the Academy's strategies for promoting attendance.

7. SUPPORTING STUDENTS WHO ARE ABSENT OR RETURNING TO SCHOOL

STUDENTS ABSENT DUE TO COMPLEX BARRIERS TO ATTENDANCE

See **Appendix 7** for the Academy approach to towards students with complex barriers to attendance, including how they work with families and strategies for removing in-school barriers.

STUDENTS ABSENT DUE TO MENTAL OR PHYSICAL HEALTH OR SEND

See **Appendix 7** for the Academy approach towards students absent from school due to mental or physical ill health or their SEND, including how they work with families, adjustments they may make, and the additional support they provide.

Where a student has an Education Health and Care (EHC) plan and their attendance falls, or the Academy becomes aware of barriers to attendance that related to the student's needs, the school will inform the Local Authority.

STUDENTS RETURNING TO SCHOOL AFTER A LENGTHY OR UNAVOIDABLE PERIOD OF ABSENCE

See **Appendix 7** for the Academy approach to supporting Students back into school after a lengthy or unavoidable period of absence.

8. ATTENDANCE MONITORING

MONITORING ATTENDANCE

The Academy will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the Academy and at an individual student, year group and cohort level.

Specific student information will be shared with the DfE on request.

The Academy has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and Local Authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The Academy will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement and share this with the Local Governance Committee.

ANALYSING ATTENDANCE

The Academy will:

- Analyse attendance and absence data regularly to identify students, groups or cohorts that need additional support with their attendance, and
- Identify students whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct a thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

All teachers should look out for any patterns in absence and investigate or report their concerns to the Attendance team and/or Pastoral teams as appropriate. If a student's attendance level drops below 97% the cause will be investigated by the Academy Attendance Officer, who will liaise with parents/carers.

USING DATA TO IMPROVE ATTENDANCE

The Academy will:

- Develop targeted actions to address patterns of absence (of all severities) of individual students, groups or cohorts that it has identified via data analysis
- Provide targeted support to the students it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severed absence, and their families (see below)
- Provide regular attendance reports to class teachers/form tutors, to facilitate discussions with students and families, and to the Local Governance Committee and school leaders

(including Special Educational Needs Co-ordinators, Designated Safeguarding Leads and Student Premium Leads)

- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, Local Authorities and other partners where a student's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific students, where appropriate.

REDUCING PERSISTENT AND SEVERE ABSENCE

Persistent absence is where a student misses 10% or more of school, and severe absence is where a student misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The Academy will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents/carers of students who the school (and/or Local Authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the Local Authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these students. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5, above)

MONITORING ATTENDANCE AND PUNCTUALITY AT OFF SITE PROVISION

Where students attend external provision, weekly registration certificates are received from the external providers. These are monitored and any concerns reported to the Attendance team/Senior Leadership team.

9. MONITORING ARRANGEMENTS

This policy will be reviewed as guidance from the Local Authority or DfE is updated, and as a minimum every year by the Chief Executive Officer.

10. LINKS WITH OTHER POLICIES

APPENDIX 4 - REQUESTING LEAVE OF ABSENCE

In the Education (Student Registration) Regulations 2006, Regulation 7 (paragraphs 3 & 4) states:

“A student may be granted leave of absence from the school to enable him/her to go away on holiday where an application has been made in advance by a parent with whom the student normally resides and the Head Teacher considers that leave of absence should be granted due to the special circumstances relating to that application. Even in exceptional circumstances, a student shall not be granted more than ten school days’ leave of absence in any school year.”

2. Further advice from the Department for Education states that:

- Parents should avoid term-time holidays whenever possible. Schools should encourage parents to avoid term-time holidays whenever possible.
- Only designated personnel at a school may authorise absence from the school. They can only approve absence for family holidays if they consider that there are special reasons which warrant the holiday. Parents may not authorise absence.
- Schools are not obliged to agree to family holidays in term-time. All applications will be considered on their merits in the light of the need to maintain continuity of learning.
- Holiday prices and the fact that parents have booked a holiday before checking with the school are not special reasons. Only in exceptional circumstances will a child be allowed the maximum allowance of ten school days in a school year regardless of the number of holidays taken.
- No parent can demand leave of absence for the purpose of a family holiday by right.
- Ten days’ absence for a family holiday can result in students with poor attendance becoming persistent absentees.

3. Please ensure that you provide full and accurate information to the school to enable them to assess your application. Incomplete forms and information not consistent with that already held by the school will certainly delay the decision and may result in the rejection of your request.

4. Your request will be considered as outlined as above and, if it is not agreed by the school, the leave of absence for your child(ren) will not be granted. If leave is taken without agreement, it will be regarded as unauthorised absence.

5. If the leave of absence is unauthorised and you still take your child out of school a referral can be made to the Education Welfare Service who under the Anti-Social Behaviour Act 2003 can issue a Fixed Penalty Notice. Penalty Notices are £60 per parent per child if paid within 21 days and will automatically increase to £120 up to 28 days. Failure to pay will result in prosecution in the Magistrates Court.

APPENDIX 7 - SUPPORTING STUDENTS WHO ARE ABSENT OR RETURNING TO SCHOOL

APPENDIX 7.1

The school's Attendance Officer and Pastoral Lead will initially work with parents/carers to establish the attendance issues and the barriers being presented which are inhibiting attendance. Home visits will be carried out regularly to ensure attendance improves. If required, the use of external agencies such as Early Help will be called upon to assist parents/carers with their child's attendance. Regular meetings with parents/carers are carried out to ensure the importance of attendance is prioritised and to talk through any emerging issues.

Removal of in-school barriers to attendance include 'Zones of Regulation', regular sessions with the pastoral lead to build a thriving relationship and ease worries within school and a clear reward system to encourage good attendance.

APPENDIX 7.2

Students who are absent due to physical health and cannot attend school in person will be provided with remote learning opportunities to ensure their education is not compromised. Contact with parents/carers and medical practitioners will be regular and ongoing and as soon as the student is well enough to attend school, they will do so. Meetings with parents/carers and professionals before the student returns to school are carried out to ensure a risk assessment is in place so as not to risk further attendance issues.

Students who are absent due to mental health issues or their SEND are offered regular meetings either at home or in school with the Pastoral Lead who will provide chance to talk through their concerns with the student and parents/carers. Counselling can be offered through MAST or 'With Me IN Mind' in school. External agencies for SEND children may be consulted and involved if required.

Where a student has an Education Health and Care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the student's needs, the school will inform the Local Authority.

APPENDIX 7.3

If a student has had a lengthy or unavoidable period of absence, school will arrange a meeting with all relevant parties to establish the best practice for reintegration into school. This will include parents and professionals who have been involved in the student's reason for absence. Part time timetable may be considered in circumstances where this would be beneficial to reintegrate the student gradually into school routine, although this would only be a temporary measure until the student is able to attend full time. Regular meetings with the pastoral lead and parents will take place initially to maintain contact on how reintegration is progressing and provision can be altered accordingly.
