

**MALBY LEARNING TRUST**  
Exceptional Experiences. Successful Lives.

**Maltby**  
Manor Academy

A photograph of two young students in a science laboratory. The student on the left is wearing a white lab coat and safety goggles, holding a pipette. The student on the right is also wearing safety goggles and holding a magnifying glass over a petri dish. They are both looking intently at their work. The background shows laboratory equipment and shelves.

# Additional Experiences

at Maltby Manor  
Academy

# Road Maps

Our exciting Additional Experiences offer at Maltby Manor Academy is designed to enrich and enhance pupils' learning beyond the classroom, supporting the development of our core learning characteristics. These unique opportunities align with the experience roadmaps tailored for each year group, ensuring clear progression as pupils advance through their school journey. Each stage builds on the last, nurturing the resilient child, the curious child, the confident child, the considerate child, the independent child, and the ambitious child in increasingly meaningful and challenging ways.

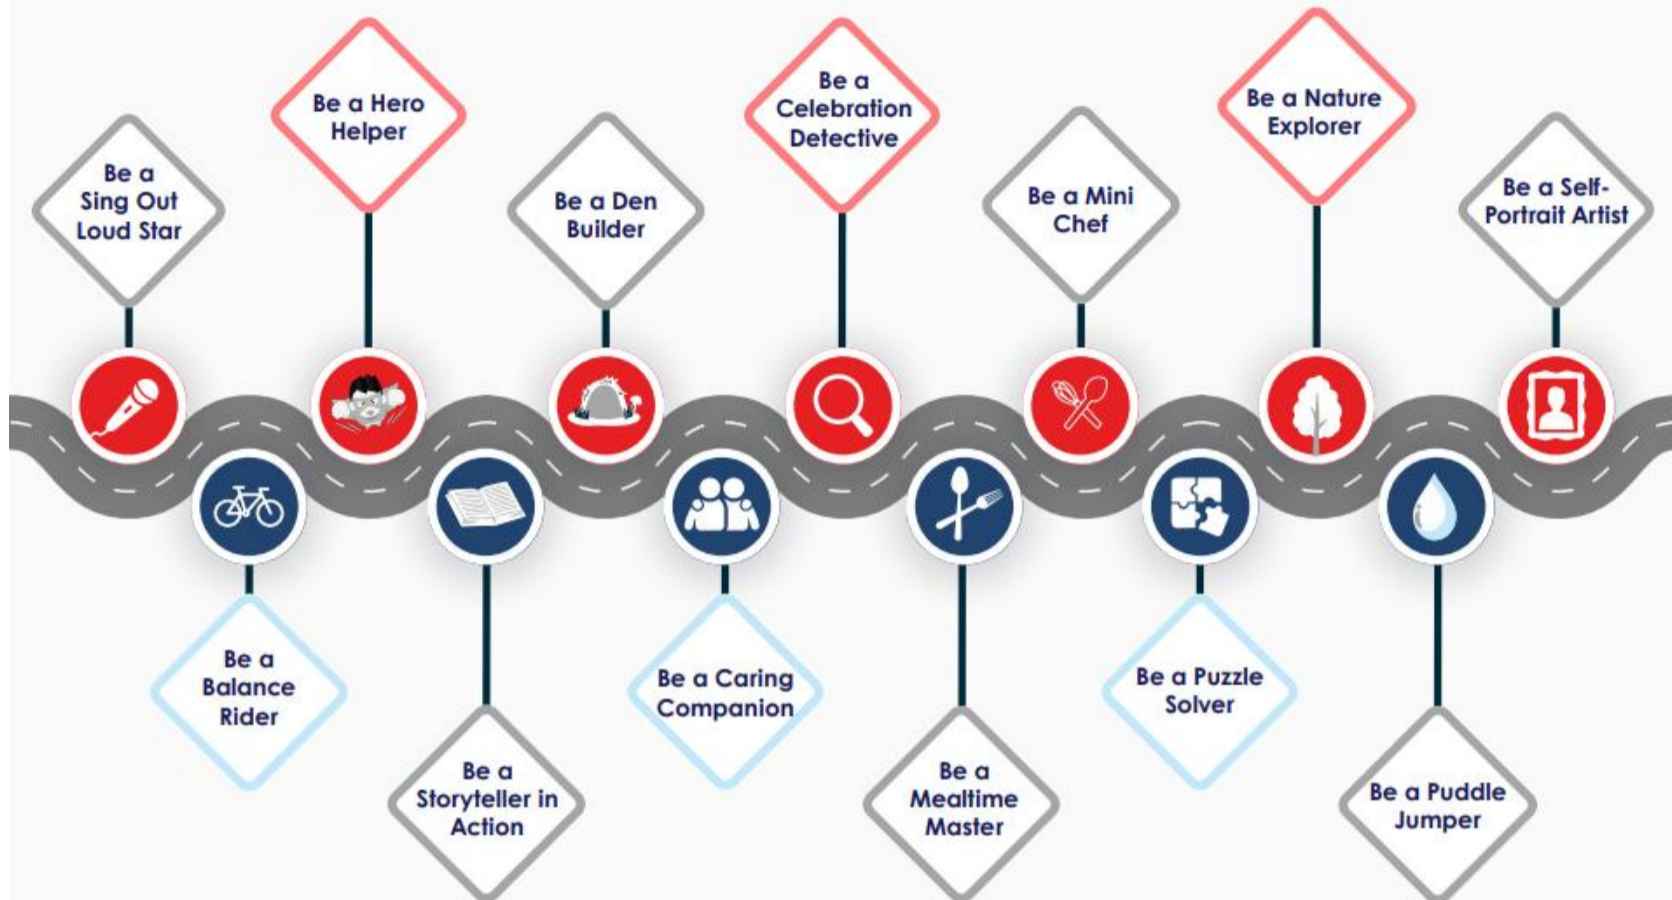

While not traditional trips, these carefully crafted activities provide exceptional chances for pupils to develop new skills, spark creativity, build confidence, collaborate thoughtfully, and foster independence. Through this progressive approach to enrichment, we ensure every child has the opportunity to broaden their horizons, embrace challenges, and grow into well-rounded individuals prepared for lifelong learning.

We are proud to offer a dynamic programme that inspires continual growth and helps every pupil reach their fullest potential.

# EYFS Road Map

## EXCEPTIONAL EXPERIENCES EYFS

## EXCEPTIONAL EXPERIENCES EYFS

**BE A SING OUT LOUD STAR!**  
Sing for an audience → Sing out loud stars!  
**Purpose:** Build confidence and develop performance skills

**BE A BALANCE RIDER!**  
Ride a bike or a scooter → Balance riders!  
**Purpose:** Develop gross motor skills, balance and coordination
