

Our ref: Kat/CCr

16 September 2025

Dear Parent/Carer

What a great first week back at Maltby Manor! All of our students have shown a wonderfully positive approach to learning and have demonstrated from day one that they are determined to do their very best.

### **Building Work**

Over the summer term, our KS2 building has undergone a complete renovation. This includes brand new classrooms, a dedicated pastoral space, a new library, refurbished girls' and boys' toilets, and full redecoration throughout. It was lovely to observe the children's reactions as they walked into the new space and hear their comments about how amazing it looks. We look forward to welcoming parents into school over the coming year for stay-and-learn sessions and other opportunities. Please keep an eye on our Facebook page for visual updates so you can see the transformation for yourself.

### **Experiences and Visits**

This week, you will receive a letter outlining all the visits, experiences, and visitors your child will have the opportunity to engage with throughout the year. We hope this gives you a clear overview of the exciting offer available in your child's year group.

### **Enrichment Clubs**

Our after-school enrichment clubs have now started. You can find the enrichment club offer booklet on our school website. This outlines the clubs available throughout the year, what they entail, and the age groups they are aimed at. In the coming weeks, we will also share our personal development roadmaps, which outline the opportunities students have to develop personally, socially, and spiritually throughout the year.

### **Attendance**

Attendance continues to be a key focus nationally, locally, and for our school. The national target for each child is 97%. This year, we will be reviewing how we communicate your child's attendance to you more frequently. We've made a strong start to the academic year, with most year groups currently sitting above 97% – let's keep it up!

## Dates for Your Diary

Date	Event
19th September	Year 6 at Crucial Crew
24th September	Individual and family photos
10th October	World Mental Health Day (wear something yellow)
15th October	Year 3 at the Theatre
4th November	Year 1 and 2 Stay and Learn session
4th November	Parents' Evening
5th November	Flu immunisations
7th November	Year 3 Stay and Learn session
11th November	Parent meeting for Peat Rigg
14th November	Children in Need
20th November	Year 4 Stay and Learn session
24th November	Year 5 Stay and Learn session
25th November	Year 6 Stay and Learn session
25th November	Parent meeting about East Barnby
8th December	KS1 Nativity
