However, we are seeking voluntary contributions to cover our costs. Your son/daughter will still be entitled to participate in each event, even if you do not wish to make this contribution; however, even a small contribution will support the overall cost. Residential, as overnight visits, are not included and must be paid for

All parents must be aware that if contributions are not sufficient to meet our costs, we will have no alternative but to cancel the experience. All experiences will be available to view on ParentPay so you may make your contribution in advance of the visits if you prefer or make smaller payments towards them.

Consent can also be given through ParentPay for each individual trip and should be done before each trip takes place. If you require a paper copy of the consent, please see the office.

If you have any questions or queries, please do not hesitate to make contact with your child's class teacher.
