Dear Parent/Carer of children in **Y5**

We are excited to inform you that we have organised an in-house forces workshop to be delivered by Pops. Year 5 will take part in an interactive workshop with the company POPS to explore forces in action. Children will engage in hands-on experiments and demonstrations, developing their understanding of concepts like gravity, friction, and magnetism in a fun and memorable way

Details:

- **Workshop Date:** Wednesday 03 June 2026
- **Cost:** £6 per child
- **Due Date:** 01 May 2026

We appreciate that this trip is some time away, however, we wanted to give parents/carers the maximum time possible to pay for the trip.

We ask for a **voluntary contribution of £6** to cover the cost of the workshop. As we rely on voluntary contributions from parents/carers to enable visits/workshops such as this, if enough contributions are not made, we will unfortunately have to cancel this experience. If you are struggling to pay for this event, please come and discuss this with us.

We are looking forward to this exciting opportunity, and we believe it will be a valuable and engaging experience for the students. If you have any questions or need further information, please do not hesitate to contact us.

Yours faithfully

Mrs K Atkin
Principal
