26 January 2026

Dear Parent/Carer of children in **Y1/2**

We are excited to inform you that we have organised the Pops in-house Animals and Habitats Workshop which brings the wonders of the natural world to life through hands-on exploration and fun activities. Children discover different animals and their habitats, including the habitats around their school, learning how creatures live, eat, and survive. The workshop also encourages caring for wildlife and adding features to your school environment to support local animals.

Details:

- **Workshop Date:** Classes will be split and the workshops will take place on 15 & 17 June 2026
- **Cost:** £6.50 per child
- **Due Date:** 01 May 2026

We appreciate that this trip is some time away, however, we wanted to give parents/carers the maximum time possible to pay for the trip.

We ask for a **voluntary contribution of £6.50** to cover the cost of the workshop. As we rely on voluntary contributions from parents/carers to enable visits/workshops such as this, if enough contributions are not made, we will unfortunately have to cancel this experience. If you are struggling to pay for this event, please come and discuss this with us.

We are looking forward to this exciting opportunity, and we believe it will be a valuable and engaging experience for the students. If you have any questions or need further information, please do not hesitate to contact us.

Yours faithfully

Mrs K Atkin
Principal
