Dear Parent/Carer

On 27 February 2026, we are planning on having an African drumming workshop in school as part of our Year 1/2 exceptional learning experience linked to Geography and Music. For this exceptional learning experience, we will be having a full-day workshop provided by an external provider.

Unbeatable Energy Ltd. will deliver a full day's celebration of African music, where the children will listen to, practice, and participate in all the drumming activities that they provide. This is a truly unique opportunity for the children to fully immerse themselves in an aspect of African culture.

The total cost for this activity is £5.50 per child, which is payable by ParentPay only, either online through the ParentPay website or at your local PayPoint. This cost includes the use of the equipment, the specialist services, and the activities provided. In order for us to secure the event, it is important that we receive payment by 02 February 2026.

As this event takes place during the school day, start times & break times etc will be as usual.

We are really looking forward to sharing this experience with the children.

Thank you for your continued support.

Yours faithfully

Year 1/2 Teachers
