05 March 2026

Dear Parent/Carer

On 25 June 2026, we are planning on having a "Teach Rex Dinosaur Workshop" in school as part of our Year 1/2 exceptional learning experience linked to History and Science. For this exceptional learning experience, we will be having a full-day workshop provided by an external provider.

Teach Rex New Age Education will deliver a full day's Dinosaur Experience, transporting children into the prehistoric world through immersive, hands-on learning. Each session features life-like dinosaurs and interactive storytelling, captivating young imaginations and bringing lessons to life. Workshops include opportunities to meet various dinosaurs, engage in green screen video productions, and participate in role-play activities. These experiences are designed to boost confidence, teamwork, and a love of learning, making education both fun and memorable.

The total cost for this activity is £13.50 per child, which is payable by ParentPay, either online through the ParentPay website or at your local PayPoint. This cost includes the use of the equipment, the specialist services, and the activities provided. **For us to secure the event, it is important that we receive payment by 01 June 2026.**

As we rely on voluntary contributions from parents/carers to enable visits/workshops such as this, if enough contributions are not made, we will unfortunately have to cancel this experience.

We are really looking forward to sharing this experience with the children.

Thank you for your continued support.

Yours faithfully

***Year 1/2 Teachers***

Mrs Lilley, Miss Cruickshanks and Miss Bates
