

# Y2 PSHE NEWSLETTER

Welcome to the Y2 Autumn 1 edition of the PSHE newsletter. You will find lots of information about your child's learning.

In PSHE this half term we will be learning about: **Growing and Changing**

I know what babies and children need to help them grow.

I can recognise and talk about my emotions.

I know what plants need to help them grow.

I know what things I can do now and what things I will be able to do in the future.
