We ask for a voluntary contribution to help fund these activities. Contributions are not compulsory; however, visits and events can only go ahead if sufficient funding is received and may need to be cancelled if there is a significant shortfall.

All experiences will soon be available to view on MCAS so you may make your contribution in advance of the visit due dates should you wish. Consent must be given via MCAS for each individual trip and should be done before each trip takes place. If you have any questions or queries, please do not hesitate to contact the school office.

Thank you for your continued support.
