Dear Parent/Carer

RE: Nursery and Reception Classes- Chicks Hatching Experience

During the week commencing Monday 15 March 2027, children in Nursery will be welcoming some exciting visitors as part of our learning journey about 'Animals and their Habitats'. We have arranged for a chick hatching set to be delivered to school. The children will see the change from egg to chick and will then work together to care for our new chicks.

The total cost for this exceptional experience is £4.50 per child, which is payable by MCAS. For us to secure this event, it is important that we receive payment by 01 February 2027. We are wanting to give parents as much notice and time possible to pay for the event, hence our early letter.

While we fully appreciate that all contributions are voluntary, we are only able to offer experiences such as this if we receive sufficient support. If you are struggling to pay for the event, please come in and discuss this with us.

We are really looking forward to this experience!

Thank you for your continued support.

Yours faithfully

Mrs K Atkin
Principal
