Dear Parent/Carer

Y6-Ancient Maya Archaeologist Visit -12 November 2026

Dear Parent/Carer

After half term, we will be starting a new History topic in Year Six about the Ancient Maya civilisation in North and Central America. To enhance our learning, on Thursday 13 November 2026, we will be having a presentation and workshop from a real-life archaeologist who has worked on the ancient Maya sites.

This is an amazing opportunity for the children to meet and question an actual archaeologist who will bring with her some of the real Mayan artefacts that she has as well as tales about her digs and findings.

To enable this enriching experience, we kindly ask for a contribution of **£8.00** per child. Payments can be made via MCAS. **We request for all payments to be made by 30 October 2026.** We rely on the generosity of parental contributions to make such workshops possible. If we do not receive sufficient contributions, unfortunately, we may have to cancel the event.

We truly believe this will be an enjoyable and educational experience for all our students, and we hope for your support to bring this opportunity to life.

Thank you for your continued cooperation and encouragement of our children's learning.

Yours faithfully

Mrs K Atkin
Principal
