Dear Parents/Carers of children in **Reception Classes (Fitzwilliam and Fountains)**

I am writing to inform you about the exciting in- school workshop for our children in Reception classes which will be run by 'Jungle Jo' on 15 June 2027.

The purpose of our Jungle Jo Animal Experience is to give children a hands-on opportunity that brings their learning to life. During the visit, children will encounter a variety of fascinating exotic animals, such as reptiles, amphibians, and minibeasts, helping them to develop their understanding of different habitats and how animals live and adapt around the world.

This immersive session will spark curiosity and excitement, while encouraging careful observation, questioning, and the development of new vocabulary. Meeting and safely interacting with real animals also supports children in building confidence, a sense of wonder, and a growing respect for living things and the natural environment.

The total cost for this exceptional experience is £5.50 per child, which is payable by MCAS. For us to secure this event, it is important that we receive payment by Friday 07 May 2027. We are wanting to give parents as much notice and time possible to pay for the event, hence our early letter.

While we fully appreciate that all contributions are voluntary, we are only able to offer experiences such as this if we receive sufficient support. If you are struggling to pay for the event, please come in and discuss this with us.

We are really looking forward to this experience!

Thank you for your continued support.

Yours faithfully

Mrs K Atkin
Principal
