

5th September 2018,

Dear Parent/ Carer,

As you are aware your child is at the start of a very important year as a member of Y6. In May, your child will take part in the end of key stage assessments – Y6 SATS. (Week beginning 13th May 2019)

Throughout the year there will be a variety of different methods of extra support for your child to best prepare your child for these assessments; including where appropriate, small group work, booster classes (in a range of subjects), one to one coaching and practical support for parents. You will be invited to a parent meeting later in the term.

At this time we feel that it would be really useful for you, as parents to have a broader understanding of the kind of work your child will be involved in and as such are supplying your child with a selection of revision style books which will be utilised both at home and school.

Your child will initially receive a Maths revision book with a separate workbook, which will be used for homework. This will be alongside books for English; Reading, Spelling, Grammar and Punctuation revision book, as well as a separate workbook which will also be used for homework. We respectfully ask that the two revision books be looked after and returned to school at the end of the year; unfortunately charges will occur for unreturned books. Until the slip below has been returned your child will not be issued with their revision books.

It is required that the books be brought into school each day as part of your child's learning and returned home in order for you to support your child. We feel very strongly that although this is an important year for your child, we aim to ensure that they get the best support and guidance possible. If at any time your child is feeling under pressure or getting anxious, please do not hesitate to contact us.

Once again we would like to express our gratitude for your continued and valued support and look forward to working in partnership with you this year.

Yours faithfully

Mrs Wilby (Y6 teacher)

Miss Bennett (Y6 teacher)
