Dear Parent/Carer,

The children have engaged amazingly with our learning about World War II and have been so knowledgeable sharing their ideas and learning. As part of our learning journey we are currently learning about 'evacuation' and how children were evacuated from key cities across the United Kingdom to safe areas in the countryside. To aid our learning, on Friday 20<sup>th</sup> January we will have an online zoom session from Barnsley Museums to involve our children in an online evacuee experience. The children will be experiencing what it would have been like to be evacuated during World War Two and will be immersing themselves within a range of activities linking to the evacuation of children in 1940.

To support the organisation of the session, we are requesting a voluntary contribution to be paid of £2.00 via Parent Pay. Your son/daughter will still be entitled to participate, even if you do not wish to make this contribution. However, parents/carers must be aware that if contributions are not sufficient to meet our costs, we will have no alternative but to cancel the venture.

Thank you for your continued support,

Miss Doyle and Mrs Moody
