

Wednesday 13th September 2023

Dear Parent/Carer,

This year at Maltby Manor Academy, we are promoting the importance of Early Reading. We have renewed the online Read, Write inc eBook subscription so that you can continue to read at home with your child. Your child will need to log in to Oxford Owl to access the eBooks. All login details will be stuck in your child's planner.

The screenshot shows the Oxford Owl login interface. At the top, there is a green bar with the URL www.oxfordowl.co.uk. Below this, there are four fields for login information: 'School code:' with the value 'vu2', 'Your username:', 'Password:', and 'Class:'.

Each week, your child will be allocated an eBook assigned by their class teacher. These books are matched to your child's reading ability. At the front of the eBook are speed sounds for your child to practice and at the back of the eBook is a speedy word grid. The children are encouraged to read these words independently and speedily as they do in their daily Read Write inc lessons. These books are designed to develop fluency and comprehension skills and to support parents, there are questions provided in the book which will enable to read together. The Read Write inc philosophy is to read and then re-read a familiar text to embed reading strategies and create fluent lifelong readers. Some texts have a quiz to further develop and support sounds that your child is learning in their reading lessons. Non-Fiction texts will be set once every half term.

Thank you for your continued support and I hope that together, we can develop your child's love of reading.

Miss Petch

Associate Vice Principal
